

# The EssAlyist

## Beginners Prompt Guide

### **1. Give AI a Task.**

Always start the task with an action verb: create, build, craft, invent, generate, design, develop, construct, produce, fashion, devise...

### **2. Feed It Context.**

Who is writing, who are they writing it for, background information, descriptive details, role definition, type of content...

### **3. Include Examples.**

Character interaction, personalities, motivations, dialogue, plot elements, research documents, memoirs, essays, charts and graphs...

### **4. Set Parameters**

What does success look like? Are there any ethical considerations? SEO instructions? What length and reading level?

### **5. Specify Format**

What structure or format: spreadsheet, chart, business letter, email, essay?

### **6. Tone**

Formal, casual, witty, intelligent, stern, engaging, upbeat, dour. State the feeling you'd like the end piece to inspire.
